

Note: Allocations listed on this website are preliminary based on budget projections from the U.S. Department of Education for federal programs and State School Aid Act for state programs. These calculations do not take into account updated average daily attendance information and do not reflect necessary reductions for districts that did not maintain effort in 2011-12. Preliminary allocations are to be used for planning purposes only. Final allocations will be calculated after the U.S. Department of Education announces final federal grants to states.
